

Connecting Country presents

The Wonderful World of Wattles

Saturday 24 August 2019 from 2.00 to 4.00 pm

Special general meeting followed by Acacia workshop

Want to know more about local *Acacia* (Wattle) species?
Fancy a guided tour of Campbells Creek Wattle Wonderland?

At the workshop:

- Learn to identify our local wattle species
- Get revegetation planting tips for wattles
- Explore the important role wattles play in ecosystems
- Attend brief Connecting Country Special General Meeting

Generously supported by North Central Catchment Management Authority

Campbells Creek Community Centre
45 Elizabeth St, Campbells Creek VIC
